Frequently Asked Questions

Q: How long does a bottle of CompleteLash[®] last?

A: If used once a day, up to 4 months.

Q: How long until I see a difference with CompleteLash[®]?

A: Younger clients tend to see results in 3-5 weeks and older clients up to 6-10 weeks with all clients to date reporting positive results.

Q: Is CompleteLash[®] safe to use?

A: Yes. In our clinical study we did not find any adverse reactions and is considered to be safe. However, as with any cosmetic product, some people may be allergic to one or more of the ingredients. If you experience an allergic reaction, discontinue use.

Q: Can I use CompleteLash[®] with my contact lenses?

A: Yes, it is safe to use with contact lenses.

Q Does CompleteLash[®] also work on my eyebrows?

A: Yes, clinical trials have shown positive results on both eyelashes and eyebrows.

Q: Will I see faster results if I use CompleteLash[®] twice a day?

A: We have clients who have used CompleteLash™ twice a day and they report faster results.

Q: Can I also use CompleteLash[®] on my lower eyelashes?

A: Yes, but do not apply to close to the edge, as it is easier to migrate into the eye.

Q: Can I use CompleteLash[®] with my fake eyelashes?

A: No, CompleteLash™ works best on clean, freshly washed skin that has no make up or other residues, including the bonding material that keeps your fake eyelashes attached.

Q: Can I use CompleteLash[®] when I'm pregnant or breast feeding?

A: No

Q: Can I use CompleteLash[®] when I'm undergoing chemotherapy?

A: No. It is recommended to wait until completion of treatment.

Q: Will I feel something after applying CompleteLash[®]?

A: Some of our clients have reported a mild sensation. Our records show that this goes away after 3 to 5 days or as the skin becomes accustomed to treatment. If the sensation persists and is associated with redness or irritation, discontinue use.

Q: Will using CompleteLash[®] change to color of my eye?

A: You do not apply CompleteLash™ to the eye, so there is less risk of de-colorization.

Q: Can I use CompleteLash[®] with my eyelash extensions?

A: Yes.

Q: What happens if I stop using CompleteLash[®]?

A: Over time, your lashes will return to their original state. This can take some months.
